
THE WESTIN BEAR MOUNTAIN GOLF RESORT & SPA, VICTORIA *Haute Cuisine Reaches New Heights*

Bear Mountain Resort has some serious “altitude” about its world-class 36 hole Nicklaus Design golf course, but now it is scoring rave reviews for the myriad of dining options up on top. Under the expert direction of Executive Chef Iain Rennie, the food and beverage scene at The Westin Bear Mountain Golf Resort & Spa is one of freedom of choice. From fine dining to scrumptious burgers, a drive to the top of Bear Mountain Resort is all about “destination dining.”

PANACHE

The Westin Bear Mountain Golf Resort and Spa, is home to the elegant and exclusive 42-seat Panache Restaurant. This intimate tête-à-tête restaurant has developed a loyal following amongst those who love their beef and wine specialties.

With its on-site fresh herb garden, open gallery “chefs in action” kitchen, Panache is home to a steak's best friend, the Montague Grill. This broiler sears steaks to perfection on its “hotter-than-the-surface-of-the-sun” grill, ensuring a perfect steak every time.

During the summer Panache opens their 32-seat heated outdoor terrace for fine dining “el fresco” style. Paired with a breathtaking terrace overlooking the 18th green and jaw-dropping views, Panache is also the locale for those who know and enjoy their wine, with a growing and evolving wine collection that would rival a number of Chateaus in Europe.

THE CELLAR

An intimate and extremely private dining room nestled deep within The Westin Bear Mountain Resort surrounded by over 12,500 bottles of the world's finest wines.

The Cellar is climate-controlled environment that features a large open hearth fireplace and carries over \$500,000 CAD worth of exclusive, fine and rare wines. The Cellar completes Bear Mountain Resort as one of BC's top culinary destinations. The sommeliers at Bear Mountain have created a distinctive and well rounded collection of various vintages both Old World and New World Wines, with a focus on the West Coast of North America.

The Cellar welcomes private tastings for up to 10 persons, can accommodate dinner for 20 and wine receptions for up to 30. Exclusive doesn't even begin to describe it.

COPPER ROCK GRILL

This all-day casual dining restaurant caters to a relaxed “west coast” style of dining.

A favorite spot with locals, Copper Rock's signature specials, and the list is long; include tagliatelle with duck confit, Mediterranean pizza, local Oceanwise certified seafoods and salads from Cobb to grilled calamari. The Copper Rock Grill, as at Panache, has a Montague Grill for 1600 degrees of grilling firepower for delicious steaks and burgers done to order. With seating for 58, the Copper Rock Grill is a place for great food made even better because of the view. The outdoor terrace wraps around the restaurant, giving patrons stunning views of the 18th green and Mount Baker.

MASTERS LOUNGE

Rich leather seating sets the tone for the Masters Lounge, located off the main lobby of The Westin Bear Mountain. With service for 60, this exquisite lounge area offers a relaxed ambience conducive to unwinding after a long day of meetings or an invigorating game of golf. Large screens allow you to catch up on all the action of the lastest sports events.

The Masters Lounge offers a large outdoor terrace which expands the size from 60 inside to additional seating for 80 outside on the covered patio. The barbeque is always hot and ready to serve up Chef Rennie's house made organic honey bbq sauce. The honey is a product of the Chef's own organic honey bee hives located right at the hotel.
