
THE WESTIN BEAR MOUNTAIN GOLF RESORT & SPA, VICTORIA

Sante Spa

Discover Sante Spa, Victoria's Mountain Escape - the splendour of ancient arbutus groves amidst expansive views beckon you here - the calm embrace you experience will bring you back.

Located minutes from downtown - award-winning Sante Spa Victoria draws from the elements of nature to inspire, nurture and empower your well-being. The full array of spa treatments offers endless opportunities for relaxation, discovery, renewal and spiritual awakening and you will experience nature's escape through treatments that harness the therapeutic benefits of locally cultivated ingredients such as coastal sea kelp, northern clay, and lavender. Our signature treatments – created by and exclusive to Sante Spa, feature botanical ingredients and indigenous elements that are woven together to create a sensory journey that awakens one's sense of contentment, self-awareness and well-being.

Recognized as an industry leader, Sante Spa is renowned for improving the way guests look, feel and live by incorporating positive change and embracing beauty from the inside out. This lifestyle approach to personal health and wellness has come to Vancouver Island, British Columbia, with Sante Spa Victoria in The Westin Bear Mountain Golf Resort & Spa, Victoria —where guests and residents can recreate, restore, refresh and revitalize body and spirit.

Recognized as the premier master-planned resort community on Vancouver Island, Bear Mountain Resort is a complete lifestyle experience, offering a variety of residential and vacation real estate opportunities as well as The Westin Bear Mountain Golf Resort & Spa, Victoria's most exclusive vacation destination. The community is situated on 1,300 acres of mountainside property and features the first and only 36-hole Nicklaus Design golf offering with a future Nicklaus Golf Academy in Canada, eclectic, world-class dining and the state-of-the-art Mountainside Athletic Club, all within minutes of the beautiful seaside harbor of Victoria, British Columbia.

“Sante Spa is integral to Bear Mountain's complete lifestyle experience,” said Colin Mantell, hotel manager for The Westin Bear Mountain Golf Resort & Spa, Victoria. “Our goal for the Resort is to create a well-rounded destination recognized not only for its golf and community, but also as a setting for total health and wellbeing. Our Spa is certainly the jewel in The Westin Bear Mountain's Clubhouse and offers treatments and amenities on par with the world's finest resorts.”

Located within the 160,000 square foot Clubhouse, Sante Spa provides the highest standards in spa and aesthetic treatments administered by dedicated spa therapists in a soothing, relaxing environment. Signature spa treatments such as the Rejuvenating Arbutus Wrap, Elements Mountain Massage and Quartz Crystal Facial use only the finest ingredients and indigenous elements.

Throughout all areas, Sante Spa's attention to detail remains integral to the high standards of personal care, comfort and service. This commitment is reflected in the qualified team of professionals that maintain the best safety and hygiene standards in the industry, earning Sante Spa Victoria recognition as 1 of 16 Canadian Spas to achieve National Quality Assurance designation from Leading Spas of Canada.

Sante Spa Victoria has also been awarded with Spa Magazine's Silver Sage Award as Favourite Resort or Hotel Spa in Canada and more recently in 2011 for the Sustainability Award by Leading Spas of Canada.

The exquisite 12,000 square foot Sante Spa reflects the pristine surroundings of Bear Mountain Resort. Incorporating a sense of place with a design inspired by the elements and natural surroundings of the mountain location and golf course views, while continuing the green philosophy of the spa. Using natural materials and textures, imagery of the west coast and unique pieces from local artists, such as the custom-designed shattered wood reception desk and Living Wall.

These features enhance the green nature of the spa and experience of the guests while using recycled and reclaimed wood, and plants that recycle and filter air into the spa. Neutral tones and nature inspired ambience are woven throughout the Spa's décor, welcoming guests to their journey of relaxation in a remarkable mountain setting.
