## INTRODUCING "THE NEW SOUTH" GOLF PACKAGES

As we weather the on-going challenges of the global pandemic, the game of golf continues to offer the opportunity for exercise, companionship, competition and open spaces.

With cross-border travel restrictions in place, heading south to warmer climates this winter may not be a possibility. Don't despair. Bear Mountain has developed The New South Golf Packages for those of you who are keen to stay active outside and enjoy the game year-round.

During the recent lockdown, the Bear Mountain Golf & Tennis Resort Community implemented a successful program to provide members with a safe and enjoyable playing environment.
