About Bear Mountain Golf & Tennis Resort

One of the largest resort communities in the country, Bear Mountain is located in an idyllic setting on southern Vancouver Island that combines pristine nature, highly civilized living and the country's best climate. Positioned to become one of North America's most enviable communities, Bear Mountain Golf & Tennis Resort Community will grow to 10,000 residents over the next 10 years through its real estate development program.

A significant part of the prestige of Bear Mountain is its unmatched amenity offerings. Home to Canada's first and only 36 holes of Nicklaus Design golf, Bear Mountain stands apart as one of the finest golf resorts anywhere. Its Jack and Steve Nicklaus co-designed courses are carved from naturally rugged terrain with dramatic changes in elevation and slope that excite scratch golfers and challenge novices. The Bear Mountain Tennis Centre (BMT) offers eight red clay courts organized in two sets of four court modules. The day-to-day environment within the BMT is highly animated with guests, tennis members, golf members and academy students using the facility as a hub for socializing and relaxing. More than a resort and an incredible community, Bear Mountain is also home to the first and only Canadian training centre of Golf Canada's National Junior Squad and the high-performance Training Centre of Cycling Canada's National Mountain Bike Team. www.bearmountain.ca

Bear Mountain Golf & Tennis Resort has diverse work opportunities and we are always on the look out for exceptional individuals. Our team strives to be the best and we are known for our friendly, exceptional service and dynamic work environment. If you are professional, ambitious and enthusiastic, a hard worker and believe in having fun along the way – we want to meet you!

We are currently hiring for a **Pro Shop Retail Sales Associate**.
